When you train alongside **industry pros** and your peers, you earn more than the OSHA 10 card…you earn ***know-how*** to **do your job better** ...and *more safely*.

Join us for 10 hours of OSHA training covering workplace safety topics such as:

* fall protection
* hazard communication
* floor and wall opening
* material handling
* welding
* electrical standards
* review of general standards
* personal protective equipment
* hand and power tools
* scaffolding / ladders
* excavating / trenching
* concrete
* motor vehicle
* fire protection / prevention
* introduction to OSHA standard

This course, taught by an authorized OSHA Trainer, is designed for construction workers, foremen, job supervisors, and anyone involved in the construction industry.

Each participant will receive a Certificate of Completion for OSHA 10 Hour Training, and a Department of Labor OSHA 10 Hour Card upon successful completion of the course.

ABC Registration Form *OSHA 10-Hour Safety Training Course* No Shows WILL Be Billed.
