Mission Statement:
Established to assist the community through youth safety and scholastics. The foundation will assist the community with support through scholastic events, community projects, as well as, educational scholarships. They will drive and serve as notice to the community youth as to the importance of safety as it pertains to pedestrians, bicycle riders, or automobile passengers.

Dear Applicant,
Thank you for your interest in applying for ***The Joanne Senier-LaBarre Free Spirit Award,*** presented by The Alexander Handy Memorial and Scholarship Foundation (www.projectalex.net). This award will focus on the student who feels they are creative, someone who has had to "work" to get good grades, and to whom academics do not come easily-this award is for you!

We would like for you to focus on having fun. This award will be presented to the applicant who submits the most creative project that carries the theme of scholastics and/or safety. You might wonder, what does creative mean? We believe that everyone is creative in their own way. For instance, if you area writer, you may submit a one page essay; if you are an artist, you may submit a painting/drawing; if you are into photography, you may submit a photograph; if computers are your media, you may submit a movie or slideshow.

Again, the emphasis is on creativity. *Your submission must carry a theme of safety and/or scholastics.* To qualify for this award, you must send in your piece by Friday, May 16, 2014. Please place a label on the back of your entry. The label should include your name, grade, address, and phone number. Entries may be dropped off in the Middle School Office.

Thank You for your interest and good luck!

Ann Handy
