Keep your **business** and **customers** connected

In today's always-online world, keeping your business and customers connected can make a big difference to your bottom line. With Business Internet from Time Warner Cable Business Class, you get to do both, for the price of one.

WiFi
Time Warner Cable®

Keep Your Business Running Smoothly

With secure, reliable Business Internet from Time Warner Cable Business Class you can help ensure that critical business operations are up and running.

Engineered for Performance

With speeds as fast as **100 Mbps**, Business Internet can enable a wide array of business transactions – from eCommerce and email to file sharing and accessing cloud-based applications – so your business productivity is always optimized.

Select Your Speed

Choose from a variety of speed packages, from 7 Mbps to 100 Mbps, to best fit the needs of your business.

Switching is Seamless

We will work with you throughout the installation process.

Access WiFi Hotspots Nationwide

Business Internet customers enjoy free access to TWC WiFi and partner hotspots nationwide.

Put Your Business on the Map with a TWC WiFi® Hotspot

A TWC WiFi Hotspot will bring in new faces and keep your customers connected to you like never before. And the best part? The hotspot is **free** when you're a Time Warner Cable Business Class High Speed Internet customer.

Worry-free WiFi

TWC provides equipment, installation, and support at no cost to you.

Protect your bandwidth

Offer WiFi for your customers while keeping your business network separate and saving that bandwidth for you and your employees.

Marketing Made Easy

Be found by millions on WiFi coverage maps and apps when you become part of our nationwide WiFi network. Add your logo and message to the WiFi sign in portal and display our complimentary marketing materials so your customers know you offer WiFi.

Want to learn more? Contact your TWC Business Class representative or visit **business.twc.com/HelpSite/twcwifi** for more details.

WHAT IS A TWC WiFi® HOTSPOT?

- A public wireless Internet connection
- Accessible by your customers
- Set up and managed for you by TWC
