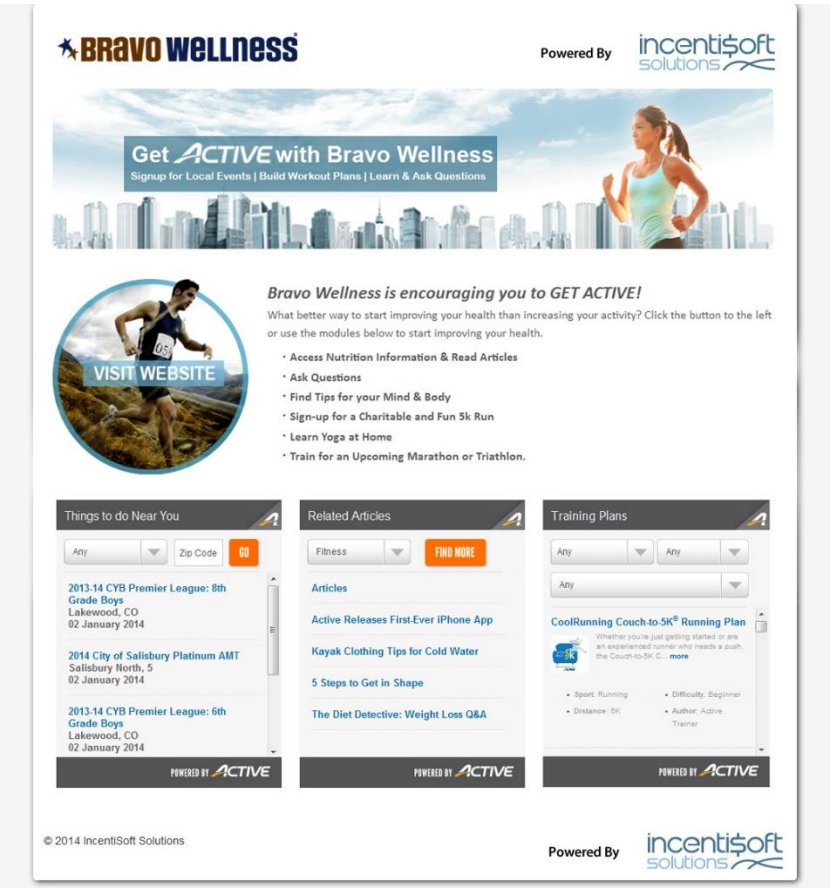
IT'S TIME TO GET ACTIVE!

FREE Portal Enhancement Now Available! Bravo Wellness is now offering a connected web experience that easily directs participants to free wellness tools and resources available on Active.com from their online portal.

Bravo Wellness has created a custom page *(shown to the right)* that easily connects from the participant dashboard and features interactive widgets that allow participants to search for local events, browse articles by health topics and more.



MORE ABOUT ACTIVE.COM

Active.com allows you to access nutrition information, read articles, ask questions, find training tips, sign-up for a nearby charitable and fun 5k run, learn yoga at home or train for an upcoming marathon or triathlon.
