Pink Boots Society Announces Second Recipient of Cicerone BeerSavvy® Online Scholarship

The Pink Boots Society is proud to announce the second recipient of the 2013 Cicerone BeerSavvy® Online Scholarship - Kate Lloyd, Tour & Cask Supervisor at Terrapin Beer Company in Athens, GA.

The PBS Scholarship Selection Committee (SSC) is made up of five very experienced women beer professionals who hold positions as brewers, educators and writers. The committee was impressed that Kate, “is in so many different places in the beer community, both with the homebrewers and professionally at Terrapin. You can see her taking her knowledge and impacting many different people. She is also quite eloquent and her passion shows in her writing.”

At Terrapin Kate provides the public with beer education during tours of the brewery, hosts guest tasting sessions, participates in Lupulin Ladies (Terrapin’s all women’s beer tasting group) and has the unique opportunity to combine her interest in connecting beer and food by creating casks. She loves, “experimenting with new ingredients to add to our beers and how these flavors work together to create a unique drinking experience. The Cicerone class would enhance my ability to find flavorful ingredients to make balanced and artful beer combinations.” One of her casks was entered at the 2013 Chattanooga Craft Beer Fest representing Terrapin.

In addition to tuition for this course, Kate will receive a pair of pink steel-toe rubber boots when she fulfills the Pay It Forward requirement associated with the scholarship.
