A Simply Giving Summer

As we are heading off this summer I want to thank all of you for keeping our ministries on such a good track through the first half of the year. Our giving as a congregation is growing and allowing us to grow deep and reach out as a community of faith.

As we look across the giving patterns of our members, it is clear that those who utilize some version of automatic giving are among the primary reasons we are seeing such a healthy stewardship response this year. Electronic giving can be set up through your own bank or by signing up for Simply Giving here at church.

How about you? If you have not tried Simply Giving yet, these weeks of summer are a perfect time to give it a try! There is a simple, secure way to sign up on our website or just call the church office to receive a simple form to register. You have complete control and can easily adjust or cancel your automatic giving at any time.

So, give it a try. Take the Simply Giving summer challenge and help POP stay on track as we reach out and grow deep all year long!
