You are invited to learn:
What is a Hearing Loop System? How can it help my church?

Churches across the Pee Dee have been talking about loop systems to help their members better hear during service. Sound Solutions Hearing Care is bringing hearing loop expert, Scott Peyton, to our community. He'll be talking about how this system works and answering your questions.

When: Wednesday, September 17th

10:00 AM - Hartsville Chamber of Commerce at Center Theater
2:00 PM - Darlington City Library
