It is the mission of the Cabarrus County Education Foundation, a partnership of corporations, businesses, individuals and other organizations, to foster and nurture educational excellence through focused investmen in staff, students, and school activities, as well as advocating for and building community support for public education.

Donate and Join:

Your generous contribution to the Cabarrus County Education Foundation will support academic excellence and make a meaningful difference to both teachers and students. As a corporate partner you will:

- Affirm support for quality education
- Receive a special invitation to CCEF events
- Be listed as a partner in CCEF publications and on our website

Please designate your area(s) of interest/support:

☐ Classroom mini-grant program

☐ First Generation Scholarship Fund

☐ Superintendent's Choice Award

☐ Teacher of the Year Award

"Education is at the core of an individual's ability to grow and succeed and therefore a key factor of any thriving community. For those of us not working directly in the schools and who have finished our own school cycle, it is imperative that we provide the support for those following in our footsteps. Please join me in supporting exemplary education in Cabarrus County. It is our civic responsibility. It is our future."
