President's Message!

"Hi Everyone,

Your new Executive Committee has worked hard over the summer to create what we think is going to be an amazing year of networking, learning from great speakers, and throwing some fun in there too!

I am honoured to be back as President, and looking forward to seeing past members and meeting new ones. We have exciting things going on this year you won't want to miss, so if you aren't a member yet - what are you waiting for? The benefits of being a member are too numerous to mention. Register online & we will see you all there!

Warm Regards,

Shirley Cowdrey, MDBWA President

YOUR GUEST SPEAKER..

DANA PHARANT

MONEY…..

PRAGMATIC TOOLS TO UNBLOCK AND CREATE MORE!

Join us for a fun and interactive session where you will learn;

1. Easy and dynamically powerful energy tools to pull in new clients and money into your life and business with total ease.
2. Simple tools for eliminating the blocks you have put up around money.
3. How to get rid of the gremlins that stop you from taking the action you need and and make more money.

Dana has transformed her financial reality using these exact tools you are going to learn in the session. She has gone from over $300K in debt two years ago to less than $50K today; from struggling and frantic to creating a business that works for her with ease.

Dana has worked with numerous clients who have been struggling with money for years and turned things around for them so that they now have money, paying off past expenses and most amazingly have an ease with money they have never experienced.

This is completely possible for you as well, so come and join us to get the ball rolling in your direction for a change!
