SHARE SELECTION

FULL SHARE

☐ $700

18 weeks, mid-June thru Oct.
Ideal for 3 - 5 people.
Vegan, vegetarian, and paleo friendly.
Perfect for juicers.

HALF SHARE

☐ $400

18 weeks, mid-June thru Oct.
Great for 2 people or
1 voracious veggie lover.

PYO CUTTING GARDEN

☐ $120

This 12-week (July - Oct.) pick-your-own share at our Newbury farm is an add-on to the Full or Half vegetable share. Enjoy a bunch of fresh herbs and/or bouquet of beautiful flowers.

EARTH NURTURE INVESTMENT: Our farm is committed to growing top quality, nutrient dense and certified organic produce while regenerating a vital agricultural ecosystem. We strive to create an earth-friendly farm using ecological and permaculture practices and to take the necessary actions to accelerate improved nutritional quality in our produce. You are invited to make a voluntary investment ($50-150 suggested) in our Earth Nurture initiatives to help us meet our goals.

CSA is a form of local agriculture designed to directly connect consumers to growers. Shareholders commit to supporting our farm by sharing the costs of produce production, along with the accompanying risks (weather, pests, etc.) and rewards. New Harmony CSA commits to providing shareholders with fresh produce grown in an earth friendly way, without the use of chemicals, herbicides, or synthetic pesticides. All CSA share items are certified organic.
