Holiday 2014

About Schubert Nursery...

Another successful year is coming to a close and as we approach the festive holiday season we are once again proud to show off our beautiful and stylish Topiary in the latest edition of the Schubert Nursery Holiday Catalog!

Topiary has been our specialty for more than 30 years and we are delighted that it remains a mainstay for holiday decorating, as well as a staple for year-round chic interior/patio designs. Topiary images can be seen in many of the home design magazines or catalogs as well as on your favorite TV show... they make an impressive statement.

As usual, our award-winning Sales Team is on the job and looking forward to giving you personalized and caring assistance. So don't wait long, contact them soon to "Talk Topiary"!

We look forward to hearing from you soon.

Sincerely,

Mike Faigle
