

**Walnut Grove Math Club  
Spring-2012**

The Walnut Grove Math Club will be meeting on Thursday afternoons to practice problems for Math Olympiad and Math League Contests held during the Spring. The kids will do 5 or 6 Math Olympiad problems, and we will discuss various solutions. The test level is geared to 5<sup>th</sup>, 4<sup>th</sup>, and motivated 3<sup>rd</sup> graders. We ask that the kids who attend the practice also take the Math Olympiad Tests held on the first Tuesday of the month.
