

Impacting the Nations for Christ

Gideon Sunday

This Sunday we will have the chance to hear from one of our mission partners, Gideons International. The following information about the Gideons was taken from their website at www.gideons.org. The Gideons International started distributing the Word of God in 1908. Today, we have more than 300,000 members—and an untold number of supporters—in more than 190 countries across the globe. The following data shows how God is using this ministry around the world.

- There are over 300,000 Gideons and Auxiliary members (wives of Gideons) in more than 11,500 local groups worldwide.
- Between 1999 and 2012, we distributed over 942 million Scriptures, which was more Scriptures than in our previous 90 years of Scripture placements.
- Approximately 1.8 billion Bibles and New Testaments have been distributed worldwide since 1908, and more than 700 million Bibles and New Testaments were distributed in just the last 10 years.
- More than 84 million copies of God's Word were distributed last year.
- On average, more than two copies of God's Word are distributed per second.
- Over one million Bibles and New Testaments are distributed every 4.5 days.

I ask that you spend time in prayer this week for the Gideons and also for how the Lord would have you to give financially to support this great work.

In Christ,
Pastor Tim
