NPS Vision/Long Term Strategic Goals School Committee System-Wide Educational Goals

NPS Vision

“To educate, prepare and inspire all students to achieve their full potential as life-long learners, thinkers, and productive contributors to our global society.”

Long-term strategic Goals

- Supporting high academic achievement
- Promoting local and global citizenship through collaboration
- Ensuring up-to-date teaching and learning environments

System-wide Goals

1. To improve achievement for all students, including narrowing achievement gaps for identified student groups.
2. To provide students with a coherent, consistent, and aligned pre-K through grade 12 curricula that includes authentic learning experiences, a variety of assessment strategies, and use of digital tools.
3. To ensure that instruction cultivates curiosity and incorporates critical thinking, communication, collaboration, and opportunities for students to create and invent.
4. To develop and support educator collaboration including looking at student work, sharing effective instructional practices, and data analysis on a variety of student learning measures, and provide focused and job-embedded professional learning that supports district teaching and learning goals for all teachers, administrators and staff.
5. To nurture a respectful and caring educational environment in which all students become more empathetic, engaged and ethical citizens.
