Our bishops invite every congregation to be a bearer of peace, and to join one or more emerging efforts of the B-PEACE for Jorge Campaign focusing on ending gun violence through:

- youth programs
- support for parents and families
- jobs for teens and young adults
- partnerships with under-resourced public schools
- gun reform advocacy

Our diocese's Jorge Fuentes Anti-violence Task Force and B-PEACE for Jorge Campaign honor the memory of the 19-year-old member of St. Stephen's Church in Boston who was murdered in September 2012. His leadership as a peacemaker through youth programs in our diocese inspires us to B-PEACE in our congregations, schools, families and communities. Learn more at www.diomass.org/b-peace.
