

JOYCE MYLANDER

THANK YOU CELEBRATION

We may not see her face on Sundays at St. Luke's but her presence has always been felt at our services. Joyce has been St. Luke's secretary for thirty-one years. She has been a guiding light and a beloved member of our family. Her strength, wisdom, and compassion have been invaluable to the life of St. Luke's and she will be missed! Joyce has decided it is time for her to retire so that she and her husband, Jerry, can enjoy some well-earned time together with their family and friends. This now is our opportunity to recognize what she has meant to us. She will always be a member of our family so it is not goodbye but a well-deserved Thank You!

The dinner will be a family style meal with soup, salad, several entrees and dessert. We are suggesting a price of \$30.00 but you may contribute more so that we may get a gift for Joyce. We would also like to be able to create a fund for those who strongly want to attend but may not be able to afford the cost. We plan to create a book of memories for Joyce and remind her about all the special moments...if you have such a story or pictures that you would like included, please give them to one of the committee members. It is going to be a very special evening for all of us! We look forward to you joining us. Please fill out the form and make checks payable to St. Luke's. You may give it to a committee member on Sunday or mail to the church office.

Should you have meal considerations, you may request a vegetarian plate _____

If you have any questions or suggestions please contact one of the committee members...
