QUESTIONS & ANSWERS

Mission Statement:

Jersey Intensity Field Hockey is committed to pushing every athlete to their maximum potential. We will provide athletes the opportunity to excel in field hockey with year-round practices and tournaments.

What type of player is Jersey Intensity looking for?

This elite training program is for those athletes who have the ability, desire and commitment to train at an intense level. We are looking for the player who is willing to give their time and energy to improve both as a team and individual player. JIFH is also looking for the athlete who wants to continue playing at the collegiate level. Players should be able to make the commitment to fall practices if selected to a Disney team. The majority of practices will be held at Monmouth University "So Sweet A Cat" Field Hockey Turf.

What are the benefits of playing on a club team?

The Jersey Intensity field hockey staff is made up of successful former college players and National Team members. We have all been through the recruiting process, both as players and as Division I college coaches, and are here to help as you and your family go through this process.

Year round training where every athlete is working to make it to the next level is one of the biggest benefits of playing on a club team. Playing in tournaments throughout the year not only improve your game but provide an opportunity for you to showcase your skills. College coaches are often in attendance at club tournaments.

What tournaments does the club participate in throughout the year?

The U14/U16 and U19 travelling teams will be entered into modified spring and summer outdoor tournaments. The club also enters U19 and U16 teams into the National Field Hockey Festival held over Thanksgiving. In addition, JIFH enters U16 and U19 teams into the Disney Outdoor Showcase held every year in February. Finally JI plays in weekend indoor tournaments over the winter months (Dec. – early March). Trials for the 2013 Indoor Season will take place on December 2nd (more information to follow).

What travel teams are these trials for?

We will be selecting elite outdoor travel teams for the U16/U19 Disney Showcase to be held Feb. 7-10, 2013.

What age group is the club for?

We have teams for the U-19, U-16, U-14 and U-12 age group (U14 and U12 teams are for indoor and spring/summer season). Age as of January 1, 2013. **Example**– you must be 15 or younger on Jan. 1, 2013 in order to be eligible for the Under-16 Team.

How much does it cost?

Players are responsible for practice fees, tournament fees, uniforms, coaching fees and travel.

How do I try out?

Fill out the enclosed forms and mail along with full payment to listed address.

Space is limited so no walk-ups will be able to participate.

Please fill out registration info below & parental release form on next page & mail along with payment (checks payable to **Jersey Intensity Field Hockey**) to **6 Columbus Drive, Monmouth Beach, NJ 07750**.

\$15 fee charged for returned checks.

A confirmation e-mail w/more detailed information (including all fees & practice dates) will be sent after form is received.

Note: These try-outs are for athletes wishing to develop their game in a highly competitive training environment. Athletes will be notified through e-mail if they make one of the teams (please include working, LEGIBLE e-mail address). Note that though we would like to be able to accommodate everyone, not everyone will make a **travelling team**.
