

“LEARNING THROUGH BASKETBALL” PHILOSOPHY:

Not only do we hope to lay the foundation for a lifelong relationship with basketball, we also aspire to use sports participation and learning as a means to improve self confidence, enhance the love and enjoyment of sports through skill development and to reinforce the importance of fairness, cooperation and team play.

Counselor In Training Program (CIT):

The CIT program allows high school aged athletes to participate as an apprentice and learn how to coach and teach younger kids. Email Coach Wiesenberg at game7@optonline for more information and an application.
