AVIONTÉ
Client Connection Forum 2013

ANNUAL
CLIENT CONNECTION FORUM
AUGUST 14-16, 2013
ST. PAUL, MN

AVIONTÉ

■ ■ ■ What is the Client Connection Forum & Why Should I Attend?

The Client Connection Forum provides the ultimate opportunity to meet Avionté staff members and interact with other Avionté clients and partners in a collaborative setting that encourages active learning and idea sharing. Held annually, the forum is a multi-day event of learning, networking and socializing; free of charge to all of our customers.

Years of experience working with staffing firms and technology has proven that the most successful companies are those that take an active role in shaping the development landscape of their software, implementing best practices and procedures and embracing technology tools that can fuel their business growth.

You should attend the 2013 Annual Client Connection Forum, not only because it will give you the opportunity to personally affect and guide our development plan and the future of your software, but also because it will provide you with valuable insight and real solutions to maximize your staffing technology, which translates directly to growing your bottom line.

We hope you will join us!
