

RUNNER DONATIONS

All proceeds raised from the *Find Her Footing 5K* benefits
Adoptions From The Heart's Birthmother Fund.

The Birthmother Fund supports women who have worked with Adoptions From The Heart, both before and after pregnancy. AFTH has worked with thousands of pregnant women considering adoption. Each woman is facing unique challenges and many find themselves in need of a little additional financial support to help with housing, food, transportation etc. in order to regain their footing. Those in need are not demanding financial help but are silently trying to find a way out. A little financial relief from difficult circumstances can make a huge difference and AFTH has seen it propel women into a better place with ongoing stability.
