

Simple Crossover Baby Booties

Size: Newborn
Yarn: Double Knit
Hook: 5.5mm
Skill: Beginner

Note: This pattern creates a simple T shape which is then sewn up one side, across both toes and up the opposite side. It is very easy to modify size by adding a few extra chains and rows.

Begin: Ch 26

Sides:

Row 1: SC in 2nd Ch from hook and in each Ch across (25 SC) Ch 2, turn

Row 2-6: SC in 2nd SC and in each SC across (25 SC) Ch2, turn

Row 7: SC in 2nd SC and in each SC across. Fasten off.

Sole:

Row 8: Join yarn with a Sl St in 11th SC. (optional: leave approx 14" of yarn to sew up seams) Ch 2. SC in next 4 SC. Ch 2. Turn

Row 9-21: SC in 2nd SC, SC in next 3 sc. Ch 2. Turn

Row 22: SC in 2nd SC. Sc in next 3 SC. Fasten off.

Note: Depending on your tension, you may need more or less than 22 rows. "T" should be an even shape for sewing.

Finishing: Fold one side so that it lines up with the front of the sole, sew along this side joining to side of sole. Fold opposite side as before and sew across all 3 toes and across the remaining side. I like to fold each bootie in opposite directions. Weave in ends. (Depending on yarn, Booties may look best if you turn them in-side-out after sewing up seams)
