

Worthy of Note

Thank you to the following supporters of the Summit Choral Society.

“Worthy of Note” advertising

We understand that these are challenging economic times and that some businesses or organizations may wish to support the Summit Choral Society but cannot commit to the price of a traditional program advertisement. For this reason, we are offering another option called our “**Worthy of Note**” page highlighting a business or organization’s address, phone number and/or website for a contribution of **\$50 or \$100** (two sizes — see sample).

This is an *excellent* way for businesses or organizations to get their names out to thousands of concert patrons during the Summit Choral Society’s 2011-2012 concert season, while supporting SCS without breaking their budgets.

Consider this option for your business or organization!

If you have any questions or need additional information, please contact Jenn Midcap at Jennifer@summitchoralsociety.org or 330-434-SING (7464).

For a printable “Worthy of Note” advertising contract, visit www.SummitChoralSociety.org > Support Us > Buy Program Book Ads.
