

## Support LSG on GA Gives Day!

**November 13, 2013 is Georgia Gives Day, and Lutheran Services of Georgia needs your help!**

Each year, Georgia Gives Day asks people throughout the state of Georgia to give a little and share a little to support the nonprofit organizations that help our communities thrive. LSG aims to raise **\$5,000** on GA Gives Day that will support our efforts to bring hope, healing, and strength to individuals and families in Georgia. On November 13, give online through LSG's easy-to-use GA Gives Profile at [www.gagivesday.org/c/GGD/a/lsga](http://www.gagivesday.org/c/GGD/a/lsga) and encourage your friends and family to do so as well.

You can further support LSG by becoming a "fundraiser". By creating a personal GA Gives profile, you can conduct your own fundraising efforts on behalf of LSG. Visit our profile and click "Become a Fundraiser" to get started.

LSG relies on the generous stewardship of Lutheran congregations to offer quality services, including adoption, foster care, afterschool programs, disaster response, support for people with developmental disabilities, family intervention services, and services for refugees and immigrants. For more information on ways your congregation can support LSG this November, contact Abby Koning at [akoning@lsga.org](mailto:akoning@lsga.org) or at 678-686-9633.

You can learn more about LSG at [www.lsga.org](http://www.lsga.org) or on our Facebook and Twitter accounts!
