Biggest, Strongest, Fastest by Steve Jenkins (ages 4 to 8)

I'm the Biggest Thing in the Ocean by Kevin Sherry (ages 3 to 6)

Guinness Book of World Records

Life Size Zoo by Teruyuki Komiya

Activities

Sponge Relay (need four buckets, two big sponges, and water)

Fill two buckets with water. Put in a sponge in each. Place empty buckets ten to fifteen feet away. Divide kids into two teams and have them stand at the end with the full buckets. When you say "GO!" the first kid on each team grabs the wet sponge from the bucket, runs to the empty bucket on the other end, squeezes the sponge into the bucket and runs back and puts the sponge into the first bucket. The next child takes the wet sponge and does the same thing until the first bucket is empty. The team to empty their bucket first wins.

Hula Hoop Contest (need several hula hoops)

Have each kid take a hula hoop and say "GO!" The kid who hula hoops the longest wins. If there's a tie, have them go again or eliminate the one who stops first, then go again and repeat until you have a winner.
