Since 2001, the Downtown Bozeman Association has hosted the "Cruisin' on Main" Car Show event in Downtown Bozeman. It has become a premier state-wide event celebrating classic cars and trucks and since 2011, it has also focused on raising funds for people with cancer. Now in just 4 years we are proud to report that we have raised over \$35,000 for Cancer Support Community and their mission to "ensure that all people affected by cancer are empowered with knowledge, strengthened by action and sustained by community". All their programs are offered free of charge and this community event is important.

There is no admission fee for spectators at "Cruisin' on Main", so funds for our charity come from sponsorships, entry fees, merchandise sales, raffle tickets, and most importantly - your donations! Stop by the Cancer Support Community booth in front of US Bank on the corner of Black St. to donate and find out more, or go to www.cancersupportmontana.org.

For an online registration form or for more information about the "Cruisin' on Main" Car Show, contact Downtown Bozeman Association at 406-586-4008 and www.downtownbozeman.org or the Cancer Support Community at 582-1600 and www.cancersupportmontana.org.
