

Women's Business Connections Featured Member of the Month:

Name: Lana Arrowood

Business: Citizens Bank of Mukwonago

Briefly describe your business and/or what you do: I have been employed with Citizens Bank of Mukwonago for 19 years. I started out as a bank teller and worked my way up to my current position of Assistant VP / Branch Manager / Loan Officer. I am currently located at the New Berlin office on Moorland Rd. Over the years, I have become an "expert" on the basics such as balancing checkbooks, helping customers with any type of consumer loan, which includes mortgages, home equity loans, and car loans, as well as guiding them on their financial journeys through life.

Extra special stuff you would like to share: I was born and raised in Muskego. I've never lived anywhere *but* Muskego so I guess you could say I'm quite fond of my hometown! I am an active member of the community. I have been a Muskego Lion's Club member for approximately 8 years and also a member of the Muskego Chamber of Commerce for many years. Recently, I was appointed to the Community Development Authority of Muskego.

Website: For information regarding Citizens Bank of Mukwonago, please go to www.citizenbank.com.

Facebook Page: Due to the extreme customer privacy that bankers need to adhere to, I do not have a business Facebook page. But, I do have a personal Facebook page and would be happy to connect with you there.

List any specials interests: I love to be creative! My job as a banker doesn't allow for too much creativity so when I get home, I love to work on projects in my spare time. I have been known to paint my walls *often* (when I get bored of the colors,) do ceramic tile work, and help others pick out colors and décor for their own house.

Briefly describe how WBC could support you in growing your business: As a loan officer, I appreciate any referrals that I get. Word of mouth goes a long way. If you know of anyone that is buying a house, building a house, looking to buy a car, needs a home equity loan, etc, please send them my way!

Briefly describe why you are a member of the WBC: I became a member of WBC last year. I wanted to get to know more women in the Muskego business community. WBC is a network of strong women that can not only lead to referrals but also lend moral support as we all work through this crazy economy and ever-changing business world.

Any additional information you would like to share: Lana has 3 children ages 13, 16 and 20. She enjoys watching her kids in softball and baseball. Lana also drives/rides in a road boat with the local Lion's Club in community parades. Check her out at The Muskego Parade in August.
