Your Lib Dems' record of action Cllr Will Sandry and Cllr David Dixon work hard for Oldfield

Your Liberal Democrats have a strong record of action for Oldfield Park, Moorfields and Englishcombe Park. However this year Shaun McGall, who has been one of your Councillors for 12 years, is standing aside.

Will Sandry was elected as Oldfield's Lib Dem Councillor with Shaun four years ago has a terrific work rate which has made a real difference to local people. He will be standing with David Dixon as your two Lib Dem candidates on 5th May.

These elections are a clear choice between hardworking Lib Dems and the Conservative Party who have served Bath so poorly. Labour and the Green Party can't, and won't win in Oldfield.

If you appreciate the hard work and commitment that Shaun, Will and David have shown to our community, please vote for David DIXON and Will SANDRY on May 5th.

Will Sandry and David Dixon have a strong record of action for Oldfield Park, Moorfields and Englishcombe Park

What you've told Will & David to do

1. Improve Housing and Sense of Community

You've told us that there's a good sense of community, but **we want to:** Stop any more houses becoming homes in multiple occupation (HMOs); Continue working with the Universities and Letting Agents to upgrade the standard of existing HMOs and promote a balanced and diverse community; Support community initiatives such as litter picks, winter gritting and new Community Groups.

2. Work to improve Transport, Parking and Environment

This is a challenge, but **we want to:** improve Home to School Transport options; Support and protect the existing 10 and 17 bus services and Oldfield Park Station; Continue to enhance Linear Park as an important local community space by promoting the new path; Try to improve the parking arrangements in our area; reduce speeding along Englishcombe Lane and the "Rat Runs" through Moorfields.

3. Maintain Moorland Road as the heart of the South of Bath

Moorland Road is amazing, but **we want to:** Improve the layout of crossings for pedestrians and fix the sunken pavements; secure the future of the Christmas lights; support the Post Office and Library and ensure that it remains a shopping street.

4. Tackle Crime and Anti Social Behaviour

We have some problems with crime and anti social behaviour so **we want to:** Campaign for more visible police presence in our community; Maintain the improvements made at Memorial Gardens and Sand Pits; Continue working with SOMER and the Police to reduce the public presence of day time drinkers, and ensure that support is available to the people who need it.

For fairer votes, vote *Yes!*

Are you fed up with being let down by politics and politicians?

Too many MPs act as if they have a job for life. They are protected by a cosy voting system that makes it harder for voters to vote them out.

All that can change on 5th May 2011 in the Fairer Votes Referendum.

A *Yes!* vote will mean that...

...every MP will need to win more than half of the votes to get elected

...all MPs will have to work hard to earn and keep your support

...it will be easier to vote out MPs who fail to stand up for their community
