CRACK SEALING

**Prevent serious damage to your
pavement by sealing the cracks that
let water and ice under the asphalt.**

"We have now used RCH Pavement Maintenance for our line striping needs and parking lot crack sealing.

I've found Rich and his crew to be very professional, on time and easy to work with. Their extremely high quality work

is the best we've found in all the years we've been using these services- I wish we had found him earlier!
