National Child Day- "Team T-Shirt"

On November 20, 2012 it is National Child Day! In celebration of this day we have planned for the children to participate in active games to promote cooperative play, team work and good sportsmanship. The children will be also designing a team jersey, with each of their friend's handprints on it. They will wear this jersey while participating in the team games. The t-shirt will help symbolize that they are all part of the same team and when working together they can accomplish their goals. Some team games the children will be playing are volleyball, doggie soccer and follow the leader. We are happy to be able to celebrate National Child's Day with your child and wish for a wonderful, healthy future for all!!

"Masquerade Dance-a-thon" Food Drive

On December 12, Providers and children will be participating in a masquerade dance-a-thon to support their local food bank. Children will be decorating masks, dress up in costumes or their favourite dance outfit and dance to raise donations for families in need for this upcoming holiday season. What a great way to keep fit indoors while the weather gets colder and to allow children to express their creativity and community awareness. We look forward to seeing pictures of the children doing the Chicken Dance, The Shopping Cart and the Hokey Pokey!!
