## **FOR IMMEDIATE RELEASE**

### **VDART, INC. RANKS #11 AMONGST ATLANTA'S 100 FASTEST-GROWING PRIVATE COMPANIES (High-Tech Staffing Firm Receives Prestigious Pacesetter's Award for Third Year in a Row)**

**(ATLANTA, GA – April 25, 2014)** - VDart, Inc. receives the prestigious Pacesetter's Award for the third year in a row ranking 11<sup>th</sup> place amongst Atlanta's 100 fastest-growing private companies, scoring 226 on the weighted average growth index and 168 percentage growth in sales over the past two years. The high-tech staffing firm was recently honored during Atlanta Business Chronicle's annual awards breakfast celebration held at the downtown Marriott Marquis Atlanta.

The Pacesetter's Award recognizes the fastest-growing, privately-held companies throughout metro-Atlanta demonstrating unconventional top-speed growth and high rankings based on a growth formula index measuring increased sales revenue and employee growth over a two-year period. VDart landed this year's award with a higher ranking based on strong mentoring from Delta Air Lines as a protégé of 2013 Georgia Mentor Protégé Program and through the retention of loyal clients which rely on VDart's expertise to deliver value and solutions. "We have been very strategic in our approach to acquiring growth," said Sidd, President and CEO. "Based on our global footprint and industry experience, we are well positioned to deliver exceptional technical staffing solutions that our clients demand." Sidd further added that by having a dynamic staff and leadership team equally committed to growing the company, such has enabled the company to meet the increasing market demands for staffing niche talent in emerging technologies which contributed to its phenomenal success.

VDart's achieved its highest ranking yet, by jumping 45 spots this year to the position of #11. The firm ranked #35 in 2012 and #56 in 2013. In addition to being a Pacesetter, VDart has received the elite honor of being named to Inc. magazine's 2014 inaugural list of The Build 100 'sustained-growth' organizations, and in 2013 ranked #13 on the Best Places to Work list by Atlanta Business Chronicle and #7 Top 200 Recruiting Firms by Ladders' magazine.

VDart's special corporate guests in attendance and celebrating the achievement included Accenture, Cox Communications, UPS and Zero Chaos.

Our reputation is solid for hitting the bull's eye with every staffing resource. To learn more, visit [www.vdartinc.com](http://www.vdartinc.com)

### **About The Pacesetter Award**

The Pacesetter Award recognizes companies who have sustained exceptional growth in their businesses for two or more years consecutively. To be nominated for the award, companies must be privately-held and based in the 20-county metro-Atlanta area and cannot be a subsidiary of another company. Firms must have been established during the first quarter of 2009 or earlier and have experienced a two-year growth in sales of more than 50%, with 2011 revenues between \$1 million and \$300 million. The Award is presented by the Atlanta Business Chronicle newspaper. To learn more about the award, visit <http://www.bizjournals.com>
