Lighting the nations with the Flame of God's Fire; the Power of God's Truth; and the Flow of God's Love

## 2013 THE YEAR OF MANIFESTED ACTS OF GLORY!

There will be great manifestations this year. We will be walking in some suddenly places. John 1:14 declares that "The word was made flesh and dwelt among us; and we beheld His glory". The word manifesting the person of Jesus Christ is actual proof of the Acts of Glory.

This is the time to say to your soul "BEHOLD" and Pay attention to what God is saying, because it is taking the form of what He has spoken. It is the pattern He used to manifest Christ -full of glory. The words we speak will be full of glory. When His glory comes we don't need to work. The flesh cannot produce the glory. But, Jesus Christ is full of glory/sufficiency. Tap into the sufficiency of the grace of God -the

finished work of Christ. Tap in with your spirit; *"Christ in you the hope of glory" (Colossians 1:23-27).*

The work, the person, and the message of Christ is being returned to the church. When the glory comes, there's going to be a supernatural process that returns us to the works of Christ. Without Christ perfection will be impossible. He's coming to houses who are making room for Him. The work of Christ will be complete in believers who make room for Him. God's going to unfold the mysteries of Christ. Preach Christ and we'll begin to see His full package -*"the brightness of His glory" (Hebrews 1:2-3).* If we'll return to the glory dome, people will come in and encounter Him.

2013 is the year of completing work -*"He who began a good work in us, is faithful to complete it".* Our warfare is accomplished. The Spirit of Comfort is being released to us because what we warred for in the governmental year is now accomplished. Stop battling with stuff! Your iniquity is pardoned.

This is the year the apostolic, prophetic, and evangelistic will be a three-fold cord to produce overflow; to manifest the glory; to prepare the way of the Lord. The Lord is about to teach us, through unbelievers, about the extent of His grace. Isaiah 60, *"Arise and shine .... The glory will produce dominion power and a fresh gathering of resources from uncommon places. God will cause us, like Esther, to have favor to say what He's saying and see results. The year of kingdom, power, and glory that demands a new realm of holiness.*

## MOVING FORWARD IN HIS GLORY

By Angela Reyes  
Publications Coordinator

Glory to God in the highest; peace and goodwill to all men! That's God's will to all mankind. And, in this season, His prophetic scribes will be publishing more and more of His goodness to draw men unto Himself.

God is Love! And, Love has always been intentional in rescuing us from the clutches of the enemy. Where sin abounds, grace much more abounds. For, God is earnestly seeking to save us from perishing. He's raising up more fervent intercessors, passionate evangelists, pure prophetic voices, faithful apostles, anointed pastors, and truth revealing teachers; to manifest His glory in the earth; confirming His word with signs, wonders, and mighty deeds.

And the glory (goodness/power) of the Lord shall fill the earth as the waters cover the sea!

One of my greatest testimonies is that I am now a daughter of the Lord Jesus Christ. I live in freedom; not from a natural prison but from the prison I once had in my soul. He is preparing me to walk in the great destiny He has for my life. For in Him I live, breathe, and move. He is calling and He desires for us to answer the call. You will be eternally changed. ## GOD'S MEDICINE

In seeking to win a young man visiting his church, to the Lord, a Pastor posed the following question.

**Pastor:** "Young man you should join the army of the Lord?"

**Young man:** "I am already in His army".

**Pastor:** "But I only see you in church on Easter and Christmas".

**Young man:** "You see Pastor, I'm in the secret service".

### Three Men Cross a River

One day, three men were hiking and unexpectedly came upon a large raging, violent river. They needed to get to the other side, but had no idea of how to do so. The first man prayed to God, saying, "Please God, give me the strength to cross this river." Poof! God gave him big arms and strong legs, and he was able to swim across the river in about 2 hours, after almost drowning a couple of times.

Seeing this, the second man prayed to God, saying, "Please God, give me the strength .. and the tools to cross this river." Poof! God gave him a rowboat and he was able to row across the river in about an hour, after almost capsizing the boat a couple of times.

The third man had seen how this worked out for the other two, so he also prayed to God saying, "Please God, give me the strength and the tools .. and the intelligence ... to cross this river." And Poof! God turned him into a woman. She looked at the map, hiked upstream a couple of hundred yards, then walked across the bridge.

## LOOKING FORWARD FROM WHERE WE'VE COME

By *Michelle Bermudez*

I hear God saying he is shifting and pulling. Allow God to pull away your flesh and your old mindset so He can shift you into a new place. When Jesus was being tested in the desert he came forth as gold, refined. He then said, "Your will God and not mine".

His spirit-man was prepared to go where God was shifting him. He understood he had to crucify his flesh so God could manifest himself in him.

When God called Lot and his family out of Sodom and Gomorrah he warned them not to look back. Lot's wife disobeyed. She looked back and turned to stone. I thought to myself, why did she look back? Perhaps part of her was back there. Let's be like Lot and go towards God; **going forward and never looking back!**

### YOUR QUESTION ANSWERED

**Why did God make us?** *To have replicas of himself (holy, loving, crowned with glory and honor) with whom He could enjoy a loving relationship. (Genesis 1:26, Hebrews 2:7, Revelation 4:11)*

### WHAT THE LORD IS SAYING..

By *Susie Wright*

The word of the LORD for 2013 is found in 2Chronicles 7:14: **Promises and Warnings.**

This passage clearly states that if His people who are called by His name would **humble themselves** and **pray** and **seek my face** [stay in his presence, in his view] and **turn [make a change] from their wicked ways**, then will He hear from heaven and will forgive their sin, and will heal their land. After this is done he said his eyes will be open and his ears attentive to their prayers. **This is the only way we will get His attention.** So until then, his eyes and ears are closed. We must pay attention to the key word in this passage for this season **HUMBLE OURSELVES** we must put on [wear] humility, be clothed in it (1 Peter 5:5, Col. 3:12). Do it voluntarily and walk in it (Micah 6:8, Phil. 2:8) Be humble and obedient. **This is the sure road to restoration and revival, if these conditions are met.**

## THINE INHERITANCE NOW

By *Kiyata Branker*

Joshua 1 is the blueprint for our financial prosperity. In verses 1-2, the Lord helps Joshua to understand that Moses is dead and he must now keep God's word in order to possess the land-Israel's inheritance.

Our ancestors operated in sin, which resulted in curses that have been passed down as an inheritance to us. However, as believers, we must understand that the sins and curses of our forefathers are no longer our inheritance. If we keep God's word, like Joshua, we'll also inherit the promise.

Some of our forefathers were thieves, some were gamblers, and some cursed their own seed. The result.... we operate in poverty, debt, lack, poor stewardship, and we rob God. We must first ask the Holy Spirit to expose the areas of sin where our ancestors disobeyed the law. Curses are results of sin. Christ came to die for sin. But, we must confess our sin and those of our forefathers from whom we've inherited the curse. We must repent for the sins of our ancestors and repent for where we have committed financial sin. We must turn from withholding our tithes and withholding our offering.

Malachi 3:9-10 says that we rob God in our tithes and... offerings. Many times we give our tithe but our offering is lacking. If you didn't give your tithes in 2012, start a fresh. If you only gave tithes and sporadically gave offering, then make a commitment from every paycheck to give an amount in offering. Start with five dollars if that's your best. McDonald's, Macy's, and Nike cannot bless you, but God can. **Make a decision today to begin to possess what rightfully belongs to you as a believer, by choosing to let go of your financial past and take hold of your prosperous future!**

# YOUTH & FAMILY

## CHILDREN OF GOD

Written by Delia Aleman

"Children of God"  
 Walk with authority  
 He has given you,  
 Tell your testimony,  
 because it's tried, tested and true  
 When you feel your back  
 is against the wall,  
 then on your knees you need to fall;  
 Asking God to renew your strength  
 he has bestowed in your soul,  
 He does not care if you're young or old.  
 If you feel there is a mountain  
 you can't tunnel thru  
 I know my Father will move it for you.  
 Always walk  
 with your head held high  
 for the answers you seek will come by and by.  
 You already have  
 the wisdom, courage and strength  
 to conquer all things,  
 so never hold back and risk missing  
**all the joy God can bring.**

## YOUTH: WITH GOD YOUR SUCCESS IS GUARANTEED

By Jovane Alexander

We currently live in a society where rebellion against God as Lord and personal Savior, is sadly the norm: A society where following the crowd is the motivating factor behind the decisions youth make. Life cannot truly be successful if we do not involve one essential factor, which is knowing God. "With God in the lead we MUST succeed", is the motto of one middle school. Such a saying lets us know that having God as the head of all the choices and decisions we make, will cause our lives to turn out right, and just the way He intended it to be. Getting to know Him is the best thing one could ever do.

The feeling of knowing that you have someone who can take all your troubles and worries away if only you ask, is the greatest feeling you could ever have. Knowing that God loves you and will always be there for you can do nothing more than bring warmth to your heart. John 3:16 says, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life". Just the very words bring encouragement and peace of mind.

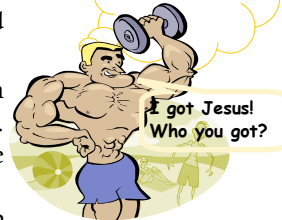

God gave his ONLY son to die for us and all He asks in return is for us to surrender and serve him wholeheartedly. Live life as if it was the last because we know neither the day nor the hour Jesus will return or the spirit of death will attack. I pray with my whole heart that today's youth will find the love that God and only God can give -unconditional love; love that looks beyond whatever sins or whatever wrongs we have done to our neighbor and meets our need for healing and restoration. **God is love!**

## LET OUR MEN ARISE!

By Angela Reyes

In the beginning, God created... MAN in His own image; male and female created He them. Then He told them how to function. What's the male in MAN

*Perfect love casts out ALL fear!*

ordained to do? Build his brawn and raise hell or be like God and rescue the sin-enslaved?

God has always called a man and given him a commission. He placed the first man in the earth and told him to take dominion -be like God in the earth (steward the earth and give each animal it's identity), and above all be His pleasure in worship. What power! Yet, there's more...The Creator formed an indispensable gift, a woman, and presented her to man to help him fulfill, not only the preceding functions, but being the reproducer that God is, to propagate the earth with God-like beings! Awesome! (Genesis 1-2 & Revelation 4:11)

But, sin came in; tainted God's image and distorted man's role and function. However, God has always had a plan. He sacrificed His son to restore man to be like Him again. Now men, God is calling you to arise by faith in the Lord Jesus Christ. He'll make you more than conquerors! He'll make you overcomers! He'll make you whole!

He'll raise you up like Abraham -to be full of faith, giving glory to God; to be highly favored; to lead your children to be great men and women in the earth; to be a leader of people; to prosper in your godly stewardship of the earth. He'll raise you up like Joshua, to lead a nation to inherit God's promises. He'll raise you up like Gideon - out of fear, inadequacy, and unbelief to conquer enemies and fulfill destiny.

Men, arise and shine for the light has come and the glory of the Lord is risen upon you. There is much work to be done for the Kingdom of God. **Honor God and He will honor you!**

## EYE ON HEALTH

HE IS THE LORD

OUR HEALER

By Angela Reyes

“He sent His word and healed our diseases. He is the Lord our healer”, says the song. But, there is more. He not only heals our diseases, but He heals every wound, every hurt, every affliction of the spirit, soul and body. *“But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed”* (Isaiah 53:5)

That’s great, but note, *“...The soul that sins shall die”* (Ezekiel 18:4). And, *“Beloved, I wish above all things that you may prosper and be in health, even as thy soul prospers”* (3John 1:2). Apparently, true and permanent healing is holistic and directly related to the health of the soul.

The soul is the gateway to the body. The choice the soul makes will determine the state of the body. In Genesis, God breathe into man and he became a “living soul” - a walking, talking living being. But, when man sinned, that living being began to deteriorate.

Nevertheless, Alleluia! God promised to take away sickness from believers and restore health to us and heal every wound. So, have you been seeking Him for healing? Then, first seek Him for insight. It could be a soul issue that needs to be healed and restored.

Acts 10:38 tells us that the Lord Jesus Christ was anointed by God and went about doing good and healing ALL who were oppressed of the devil. God wants us whole, nothing malfunctioning, broken or missing. **Cast down fear, worry, and unbelief and choose to trust God to work in you and bring about the healing that He has already given through Jesus Christ. RECEIVE HIS PROVISION FOR YOUR TOTAL HEALING!**

## YOU ARE PERFECT: DON'T LET MEDIA TELL YOU ANY DIFFERENT

By Meshell Branker

Last weekend, my three year-old son lost his brand new red car at the playground. He cried over that car for an hour. It didn't matter to him that he had two more in his hand. It didn't matter than he had five more red cars at home. It didn't even matter when I told him we could buy another one. To him, it was irreplaceable. *That* red car was perfect.

That's how God sees us. Psalms 139:14 says *“...I am fearfully and wonderfully made...”* When God made you, He made you perfect. And it boggles Him to see you trying to measure up to someone else's standard. How can we desire to look like the people we see on television, billboards, and magazines when the mirror is where perfect beauty lies?

Every scar is a testimony. Every wound is a victory. Every broken place is the mercy, grace, and love of God being shown on your life. It is through those very places that God can heal and make you to look more like Him.

Now don't get me wrong, I love makeup! And I do believe that it is important to eat properly, exercise, and dress your best. Just look at Esther! God used the beauty he gave her to position her in the Kings palace. Ultimately, she was being positioned to save God's people. But to mortal men, it was her beauty that won her favor.

When I look in the mirror, I don't see satin white teeth. No, I don't see hazel eyes. Nor a rock hard six pack. All I see is me. I see poofy curly hair, coffee stained teeth, and chunky cheeks whenever I smile too hard. I see perfection. Because that's what God says about me.

What do you see?

## A CALL TO TRUE WORSHIP

By Trenice Griffin

*“But the hour is coming, and now is, when the true worshippers will worship the Father in spirit and truth, for the Father is seeking such to worship him. (John 4:23-2)”*

Worship is the highest form of admiration, adoration, and appreciation that we give to God. It is a surrender of oneself; the laying down of one's crown of accomplishments and accolades before Him, and crowning Him Lord of Lords. In other words, you forget about who you are, what you have done, what you have, and begin to declare who He is and what he has done. Your mind should be focused only on Him and should be free of worry and anxious toil. In the presence of God there is fullness of joy and at His right hand there are pleasures for evermore.

It is such a disappointment to see how people need to be pumped and primed to worship. The praise and worship teams are performing, instead of ministering to the Lord and acknowledging who God is. We must remember that when we enter into the house of the God, HE is not the guest. **WE ARE!** Everything should go according to His order and plan not ours. *Enter into His gates with thanksgiving in or hearts and into His courts with praise. For, He has prepared a table for us in the presence of our enemies.*

### TIPS FOR HEALTHY LIVING

#### PEROXIDE AS A GERM KILLING AGENT

- \* Clean your counter tops with peroxide to kill germs and leave a fresh, clean smell. Simply pour a little, about 1tsp, on a dish rag or spray it on the counter, then wipe clean.
- \* Soak any infection or cut in 3% peroxide for 5-10 minutes, several times per day. In a few days it should be healed.

## THE AFFORDABLE CARE ACT DOES GOD VOTE ALONG PARTY LINES?

By Stephanie L. Anderson M.D., J.D.

With all the country still abuzz about the Supreme Court's ruling on OBAMACARE, there is that almost uncontrollable urge to take a side, build a soapbox and climb up to proclaim our position on the high court's ruling. Our proclamations, whether or not we choose to admit it, are largely based on whether or not we approve of President Obama. We choose some fragment of what we know about the Act and build our oftentimes emotional arguments based more on drama than on analysis. The issues are complex; that is one certainty. So, where can we arrive at a consensus?

One thing that most would agree on is that in the "Home of the Brave and the Land of the Free," far too many American citizens cannot access what may be the best healthcare in the world, because of their inability to pay. Aside from **justice** and **fairness** arguments that attend those truths, it is an **embarrassment** that there is no counterargument or evidence to the contrary. There is a **need** for **better access** to Health Care and it must be **addressed**.

What is God's position on the Affordable Healthcare Act? Romans 13:1 says, "*Let every soul be subject to governing authorities.. For there is no authority except from God, and the authorities that exist are appointed by God*". God makes His position clear. President Obama is the governing authority and we as citizens of this country are **subject to**

## THE SCHOOL OF FAITH

By Janine Ross

The year 2012 saw us graduating through the "School of Faith." We learned in the beginning of our coursework that there are three levels in the school of faith: Now Faith, Through Faith and By Faith.

In Now Faith, we were simply hearing the promises of God. We were making the attempt to receive what God spoke over our lives through His Word and through His prophets. This is the place where we were learning to accept what God said in spite of what our lives looked like.

In Through Faith, we actually began to allow those promises to take root. This is where we began to not only accept the promises, but we began the process of actually walking them out. We literally began the journey of walking "through" faith; the place of taking ownership of what God said over our lives regardless of what

**the governing authority.** If it were not God's will that Obama be that authority, we would be subject to a different authority. Being subject to an authority **does not** command that we **agree** with all that comes forth from that authority, but it **does mean that we submit** to and **support** it.

Romans 13:2 says, "*Therefore whoever resists the authority resists the ordinance of God, ..bringing judgment on themselves.*" God commands that we not **resist** the **authority** that He puts in place, because **resisting** that authority is the same as **resisting**

was happening in our lives. We learned that the Facts of our lives, do not undo the Truths of God's Word. This is where God unfolds individually formed "*paths of righteousness*" that each of us must travel to get to the place of promise. Each path shapes us, makes us, molds us, breaks us and readies us to receive. This place of "through faith," showed us areas in our lives that we must allow God to make or remake into the image of His Son. If we would only allow God to lead us through this place of "through faith," we would end up in the place of "By Faith."

The place of "By Faith," is where we all aspire to be. It is the place of the manifestation of everything God has promised. It is the place where we finally SEE why we walked "through faith." It is the place of promise. Are we there yet? You bet we are!!!! **Welcome to the year of Jubilee!!**

**God**, and would bring **judgment** onto ourselves. Proverbs 21:1 says: "The *kings heart is in the hands of the Lord, ...*". Those who are in authority are not there by accident, nor do they have the "control" they may believe themselves to have. They are **in the hand of the Lord**, and the Lord in His **sovereignty** turns the hearts and the hands of the king, the **President**, and the **supreme court justices** wherever **He wills**. So let us obey the word of God.
