Contents & Condo For Sale by OWNER / EXECUTOR

Welcome

This lovely lady spent the latter part of her life traveling and bringing home some amazing mementos of her trips.

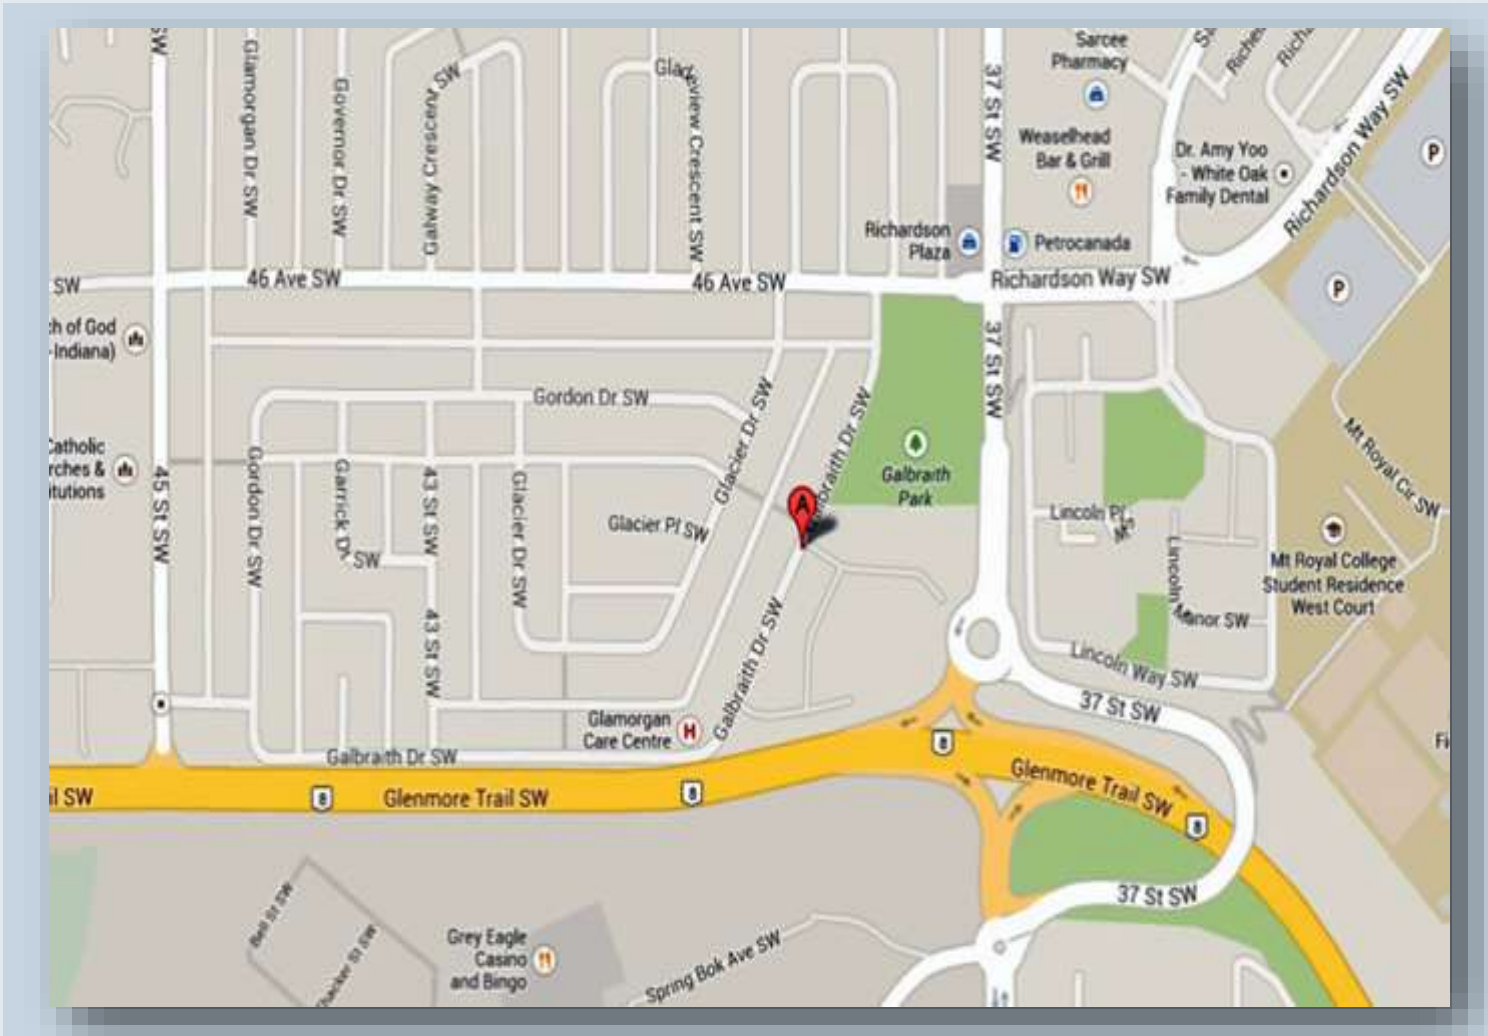

“Her home is chockfull of very interesting things” - unusual framed artworks, coins from China and Russia, lacquer boxes (Asian and Russian), sterling silver, crystal, and many other treasures.

There’s even some lovely jewelry and a vintage men’s ROLEX wristwatch, some pocket watches, antique items, and a very “rare” Hummel ornament (only 100 known to exist). You’d better be at this one early.
