A rare oversized 3000 square foot, professionally designed bungalow on a north facing corner lot, with quick access to downtown, Chinook Centre, LRT and other numerous amenities. The 1700 square foot main level includes a large master bedroom, an ensuite with jetted tub, separate shower and a large walk in custom closet with ample room for both his and hers. The main level has a slate tiled, open concept kitchen/family room with gas fireplace surrounded by built in storage. The kitchen with its beautiful high end cabinets and finishes is completed with Subzero fridge, gas range, a large granite island, garburator and on demand hot water tap. The dining room/ living room has beautiful custom built in china cabinet and buffet. Both areas are finished with hardwood flooring. A half bath and mud/laundry room completes the main floor adding ample storage, a built in desk, cabinets and deep stainless steel laundry sink. The fully developed basement is designed with a secondary suite that comes complete with two bedrooms and a full kitchen for such uses as live in nanny, caregiver, rental or children.

This natural well lit main level has Hunter Douglas Silhouette window coverings for the numerous large windows. Nine foot ceilings throughout and extra wide doorways add even more appeal to this luxurious custom home. The sun deck, complete with natural gas connection, overlooks a professionally landscaped yard with an irrigation system, backyard pergola, gardeners shed and interlocking brick, makes this area perfect for entertaining. The detached oversized heated double garage comes with built in shelving and two areas with task lighting. Additional to this is an extra gated parking pad. Other amenities include: a wide front covered main entrance landing, security system, intercom, two furnaces, and water softener.
