

FAQs for Wieners & Wine

What is Wieners & Wine (W&W)?

Every Friday from 5 - 8 PM April through October, we offer this fun event! You buy the drink, we provide the hot dogs, fixin's, as well as the roasting fire.

Are children allowed?

Yes, well-behaved and supervised children are welcome to Sleepy Creek. Unsupervised, misbehaving children will be given an energy drink or two, and three puppies upon departure. Just joking! Seriously, we are a working farm with a pond that can present dangers to unsupervised children. We also have a gift shop with breakable items. So yes, bring children but please supervise them. Same rule applies: Buy the kid a non-alcoholic drink, they get a hot dog! We offer soda and bottled water for children.

Can I BYOB?

No, please do not bring your own beer or any other alcohol to Sleepy Creek because 1) we need to sell our wine and beer so we can pay our bills and 2) it is a liability issue for us.

Can I BYOF?

Yes, you can bring your own food. You may have to share with others though. ☺
Vegan? Gluten issues? Hot dog snob? Feel free to bring your own!

Can I have a party during Wieners & Wine?

We do not offer reservations for parties during W&W. Please understand seating is first come, first served and it's while supplies last. Inside and outside seating is limited so bring your own stadium chairs, blankets, lawn chairs, tables etc. We hope to someday we will expand our outdoor seating. If you wish to schedule a "private" Wieners & Wine or other event, see our facility rental information on our website or email events@sleepycreekvineyards.com

When is last call?

We announce last call between 7:30 – 7:40 PM and stop serving for onsite consumption at 7:45 PM. Then, we close at 8 PM firm. We really love you but help our staff get home to their families by leaving promptly after closing time.
