

# HOW WOULD YOU SPEND \$1 MILLION of NYC's MONEY TO IMPROVE OUR COMMUNITY?

**PARTICIPATORY BUDGETING (PB)** gives local residents the power to decide how to spend more than **\$1 MILLION** right in our community. PB is sponsored by **Council Member Jumaane D. Williams, District 45.**

Last year, hundreds of community residents came out to vote for project ideas they developed— from lighting the field at Tilden Educational Campus, to security cameras & speed bumps.

The process starts with our **NEIGHBORHOOD ASSEMBLIES**, where you come up with ideas for projects that will make our community a better place. Then stay active throughout the PB process to make your ideas a reality!

## FOR MORE INFORMATION OR TO RSVP:
