The Starting Line For A GREAT School Year

The date has been set, the locations have been confirmed, the children are pumped up for it, and the entire community awaits it. The Neighborhood Boys and Girls Club proudly presents its inaugural "Step Together: A Community Fun Walk" to take place on Sunday, September 14, 2014 to celebrate the beginning of a new school year.

The Neighborhood Boys and Girls Club has been an integral part of this community for over 80 years. We provide after school services to over 1,200 children a year, many of which attend your school. Our goal for this event is to unite the entire community, student &, parents, promote community development, education, and bring the entire neighborhood together to support our schools, our students, and our community.

Students, parents, friends, families and faculty from local schools and community organizations are encouraged to join us for the NBGC's Back-to-School Walk and Fair. The 3K community stroll begins at Revere Park/NBGC Fields, continues through Horner Park and ends back at NBGC (the destination of our fun fair with refreshments and entertainment). All entrants receive a commemorative event t-shirt.
