The Alameda Labor Council is hosting a Holiday Food Drive for the Alameda County Community Food Bank. These are still tough times for many of our members and their families. At a time of year when we traditionally celebrate the abundance of food produced in the US, we need to work to make sure that all of us have enough food to put on our table for our families to eat well. The Alameda County Community Food Bank serves 116,000 people each month, two-thirds of whom are children and seniors.
