

# Heritage High School Marching Eagles

**Color Guard Clinics!**

**"All For One, One For All"**

**Come Join the Heritage High School Marching Eagles Family!**

The focus of the ensemble is on building a strong team environment while developing individual student growth and providing an enjoyable atmosphere where students can perform at their best. Auditions are held for participation in the percussion and color guard sections but not for brass or woodwinds.

Band camp is a two-week long, intensive session where students develop the correct marching style and a large part of the half-time show as well as the music for the parades.

The band participates in the Western Welcome Week Parade in Littleton and the State Fair Parade in Pueblo as well as several field show contests throughout the state. The season culminates in the Colorado Bandmasters Association State Marching Band Championships in late October. While band students are not required to march, they are highly encouraged to participate in the Heritage Eagles Marching Band.

The Heritage Color Guard will be holding special clinics for all members interested in joining the color guard for Fall 2014.

**When: April 14-18 (Monday-Friday)**

**Time: 3:00pm - 6:00pm**

**Where: Heritage High School  
1401 W. Geddes Ave  
Littleton, CO 80120**

Come out and meet the staff and new Captains for next year. You will also be learning the basics of marching, dance, and spinning flags.
