

World Harvest Mission

Dear Friends,

I hope that the season of Advent has been a time of great thanksgiving and joy. As the year comes to a close, I have been praying and seeking God's will for a mission internship this next summer. God has graciously led me to serve as an intern with World Harvest Mission in Shepherd's Bush, an area of West London, UK. World Harvest Mission is in the process of planting New City International Presbyterian Church, led by missionaries, Chris and Josephine Hatch. Shepherd's Bush is home to the Westfield shopping Centre, the largest mall in Europe. Within this area of London reside communities of immigrants from Australia, New Zealand, Somalia, India, and Poland as well as other diverse ethnic peoples. New City IPC is involved in ministry to the homeless, bible clubs for children, and serving tea as a means to engage people in gospel conversations.

As an intern, I will be involved with the church plant as well as meeting people in Shepherd's Bush and building relationships with them. I may also have the opportunity to volunteer in various mercy ministries and help with youth outreach. I am excited to see what God will teach me this coming summer. My prayer is that God will use this experience for his glory and to bring me closer to him as His son. I am eager to hear people's stories and learn about God's kingdom work in London. I pray that God will deepen my desire to be a witness for His kingdom.

My internship with World Harvest Mission begins June 10 and ends August 8, 2014. Would you consider supporting me financially as I follow God's call to be a light in London? I need to raise a total of \$5535. This will cover airfare from Philadelphia, Pennsylvania to London, a UK visa, food & lodging, transportation, and other ministry expenses. 50% of my support is due on March 31, 2014 and 100% of the support is due by May 31, 2014. Any kind of financial gift is greatly appreciated. Checks can be made payable to World Harvest Mission and sent to: World Harvest Mission/Donations Processing Center/PO Box 1244/Albert Lea, MN 56007-1244. Please be sure to include my Pledge Card in the envelope with your donation. You may also submit donations online by going to www.whm.org/give/give-to-a-missionary and finding my name.

I greatly appreciate your prayers as I prepare for this internship and also while I am in Shepherd's Bush. Pray that God will give me an open and teachable heart. Pray that people's hearts in London will be open to God. Pray that God will give me wisdom and discernment as I become a part of the ministry of World Harvest Mission. Pray also for safe travels and good health during the internship. Pray that God will be glorified through this experience. Finally, I want to thank you for your support and prayers.

In Christ,
Jonathan Larson
