

**HOME BUILDERS  
FOUNDATION**  
of METRO DENVER

**ACCESSIBILITY**  
accessing the possibilities

The Home Builders Foundation (HBF) is a Denver-based nonprofit that provides accessibility solutions and home modifications for individuals with disabilities and financial need through the collaborated efforts of the home building industry. The HBF has an amazing network of builders, suppliers, trade contractors and remodelers who work as a team to build wheelchair ramps, widen doorways and make bathrooms accessible, all at no charge to the recipient.

In 2011, the HBF organized the Inaugural Blitz Build, where seven ramps were built for seven families across the Denver metro area in just three days. The Blitz Build was a huge success for the recipients, the HBF and all of the companies involved. The Second and Third Annual Blitz Builds each completed 13 ramps in 3 days. In 2014, we plan on building on the success of the past three years by completing 15 or more ramps on August 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup>, 2014.
