PROJECT MANAGEMENT SKILLS DEVELOPMENT AND BEST PRACTICES TRAINING SERIES

THESE COURSES ARE GREAT FOR BEGINNERS OR FOR THOSE
LOOKING FOR A REFRESHER COURSE.

Primavera (P6) is a software tool that entities like the City of Fort Worth, United States Army Corps of Engineers, Trinity River Vision Authority, DFW International Airport and Tarrant Regional Water District use for everyday business. This project training series will give each participant hands on training in the concepts of planning, scheduling, management skills, best practices, reducing risk and many other important real world project management practices.

2015 COURSES & DATES	COURSE COST
SCHEDULING THEORY JANUARY 13-14	Course & manual \$1,145 \$300
