## - WELCOME TO MUNDAY LACROSSE CAMPS & CLINICS -

Munday Lacrosse brings Championship instruction to lacrosse players across the country, particularly to the West Coast. Munday is the first-ever Division I Head Coach of the University of Southern California Women's Lacrosse Team. Coach Munday has achieved success at every level of the game, and is on a mission to quickly build the Trojan Lacrosse Program into a national competitor.

After winning two National Championships as an All-American at Northwestern University, Munday remained at Northwestern as an Assistant Coach, training under Kelly Amonte Hiller, arguably the game's greatest coach, and won three more National Championships to begin her coaching career. Munday continues her playing career as a 6-year member of the US National Team, the Team Captain, and an All-World Attacker who led Team USA to the 2009 & 2013 World Cup Championship.

The Munday Lacrosse staff aims to provide top notch instruction and foster an atmosphere where young girls gain the confidence and determination that it takes to excel on the field, and in all aspects of life. Each camp is geared to a particular audience and curriculum will vary from camp to camp. Within each camp, girls are grouped based on experience level, age, and school/club teammates.

\*Camp is open to any/all entrants and limited by age only\*
