

A service provider simply can't be all things to all clients and still be great at what they do.

Is SafeScreener.com a good match for your company?

If your company...	We offer...	Are we a match?
Requires applicant screening for anywhere between 1 and 1,000 people each month.	A robust, yet incredibly simple to use solution for applicant screening and drug testing.	 
Despises start-up fees.	\$0 Start-up costs. ((\$75 if Credit Report Access Needed.)	 
Prefers not to be locked into a long term contract or have minimum usage requirements.	No term of use requirement and no penalty for discontinued service. No monthly or annual minimums. No account fees, no support fees and no hidden fees. (Unbelievable but true)	 
Could use some guidance and training to keep their FCRA compliance on track.	Limitless assistance and free training to make sure your hiring managers practice FCRA compliant procedures.	 
Is growing rapidly.	Scalable and tiered access without additional costs! Perfect for multiple locations and separate manager / HR access levels. Invoicing can be independent or easily merged.	 
Prefers to work with an experienced company.	A 15 year track record of FCRA compliant background checks and dedicated clients!	 
Requires or prefers that applicant screening data NEVER be transmitted out of the United States.	A strict security policy of not outsourcing services or access to applicant / client data.	 
Demands customer service from the actual people that service their account as opposed to call centers and/or "trouble tickets".	100% in-house and "realtime" customer service. No call centers and no trouble tickets.	 
Needs to get applicants on board fast.	Requests can be initiated online or via fax. Many screening packages completed same day! More in-depth screening packages average three business days. Report status always available at the click of a button.
