## Welcome to Downtown Schenectady

Come explore historic Downtown Schenectady, NY! You will quickly notice downtown's eye-catching facades, newly enhanced streetscapes and the bustle of workers, visitors and residents. Browse through our many shops and discover unique gifts and services. Our outstanding restaurants offer everything from quick take-out to elegant fine dining and feature cuisines from around the globe.

Entertainment and culture abound in downtown, highlighted by the Proctors Arts Center, miSci (Museum of Innovation and Science), Bow-Tie Cinemas, Schenectady Civic Players and Schenectady Light Opera Company. Events? You bet! Come downtown all year long to enjoy festivals, concerts, art shows and much more.

We're equally proud of our history, including the Stockade Historic District, a charming neighborhood dating back to 1661 that was designated as New York's first Historic District in 1962. Downtown's amazing architecture is evident in classic structures including Schenectady City Hall and Union College's Nott Memorial, as well as in modern buildings such as Center City and Transfinder's new corporate headquarters.

The Downtown Schenectady Improvement Corporation works hard every day to keep downtown clean, attractive and secure. We also take pride in promoting the businesses, attractions and investment opportunities here. We invite you to visit soon. Once you do, you'll understand why Downtown Schenectady is truly a destination to discover!
