Dear Families:

We are trying a new "travel credit" programs based on referrals. Telling other families about CISV is a natural part of the experience when your child has traveled. The Recruiting Committee would like to offer you an incentive for bringing in a new traveler for season 2015. For every new traveler that you bring in, we can offer your family a $200 travel credit that can be applied to your own family's 2015 or 2016 travel, or a designee. See below for details.

To be eligible for the travel credit:

1. The delegate (traveler) you introduce to CISV must be new to CISV with no prior travel.
2. The new delegate must apply, interview, be selected to travel, commit financially to the trip and plan to complete the trip as a delegate.
3. The person or family you introduce must be registered and linked with your name by emailing Karen Huelsman (dakahehajo@gmail.com) as soon as you introduce the family. Please provide family's name, delegate's name, address, phone and email. The family who *registers* first gets the credit.
4. Only the first ten families to register a new delegate will receive the $200 travel credit each, as funds are limited for this program. Once our budget is depleted, we cannot continue to offer credit. It is possible for a family to get more than one credit if they refer multiple new delegates.
5. If you cannot use your travel credit for your own family, you may transfer the $200 credit to another family who is traveling in 2015 or 2016.
6. Travel voucher must be used within two years of introducing new family and cannot be carried over to later years.

Please contact Karen Huelsman with questions at dakahehajo@gmail.com or 706-5333.
