

“Only through our connectedness to others can we really know and enhance the self. And only through working on the self can we begin to enhance our connectedness to others.”

–Author and psychologist, Harriet Lerner

Center for Victory Intensive Retreat

The intensive retreat experience is time away from the pressures of the world to focus on new, practical models of breaking through barriers to achieve new success.

Participants are men, women, couples, fathers, mothers, wives, husbands and families – anyone seeking to achieve success by connecting to the personal power of their potential and their relationships. Whether the focus is on parenting issues, relating to your spouse, improving family or work relationships or simply achieving ultimate personal success, this retreat experience is for you.

In a focused yet relaxed setting, retreat participants are able to connect personally with their potential and better understand the power of their relationships to enhance their success. Participants leave the retreat with a personal plan of action and a set of practical tools that enable them to make changes and create new successes immediately

What do successful husbands, wives, mothers, fathers and individuals know about the power of their relationships to create success and eliminate barriers? Find out inside and learn more about Getting Connected, Getting it Done! An intensive personal empowerment retreat - January 2nd - 4th 2014

What Others Say About This Retreat Experience:

“Thank you so much. I would do the two days over and over again. Absolutely one of the most positive experiences I have yet to encounter. Thank you! Thank you!”

~Denver father

“There is no way in the world that I can thank you for sharing your gifts and talents that initiated the internal metamorphosis in me . . . I can honestly say from the heart — not from my mind —that ‘I get it!’ ”

~ Idaho mother

Your Retreat Leader:

Eric Guy is a licensed social worker and internationally acclaimed speaker. As the founder of Center for Victory, Eric works with individuals, couples and families across the country and around the world to help them unlock their personal potential and achieve their greatest success.

Center for Victory is a champion for husbands, wives, mothers, fathers, families and professionals who seek ultimate success. Just as a champion guides, inspires and pushes athletes to break barriers, Center for Victory retreats unlock, reinforce and enrich the relationships of participants to create meaningful success in life, family and society.

Through the intensive retreat experience, Eric and the Center for Victory team help couples, families and professionals to connect with their personal potential and the power of their relationships. With the tools from this retreat, participants are able to create new levels of success and eliminate the barriers that limit their professional, personal and family satisfaction.

Your Retreat Setting:

Camp Luz is an attractive camp tucked into the gently rolling hills of rural Wayne County, Ohio. The camp venue offers amenities that enable retreat participants to focus on their goals in the midst of a quiet, scenic setting. The retreat takes place at the “Timberwood Building.” It provides a comfortable setting that will enable participants to focus on learning and incorporating the new tools and techniques shared by the Center for Victory Team.
