What is Top Golf?

TopGolf is the premier three story golf entertainment complex where the competition of sport meets your favorite local hangout spot. You can challenge your Co-workers and Clients to addictive point-scoring golf games that anyone from the hopeful PGA tour contender to your neighbor's 7-year-old kid can play year-round. Just picture a 215-yard outfield with dartboard-like targets in the ground. The closer to the center or "bull's-eye" you get and the farther out you hit your microchipped balls, the more points you receive. Score even bigger with TopGolf's extensive food and beverage menu that is sure to impress even the pickiest foodies. It's not golf – it's TopGolf. Give it a shot!

Play Games and Win Awards and Gear!

TopGolf

A great game for any skill level! If you can bowl or play darts, you can play TopGolf. Score points by hitting balls (assigned to you using our microchip technology) into any target. The closer to the center and the farther the distance you hit the ball, the more points you earn. If your ball reaches any shaded area, your next ball is eligible for double points.

TopScore

Points are multiplied in this high-scoring version of TopGolf that rewards you for going big. The farther the target you hit and the closer you get to the center flag, the more points you'll receive. For example, hit the center of the white target, and you'll receive 60 points (6 points for hitting the center section and a point multiplier of 10 for the white target).

TopChip

Use those wedges and sharpen your short game! This game uses just the red target (five shots), yellow target (five shots) and green target (10 shots). Hit the correct target and you'll score points, but hit the wrong target and watch your points disappear.

Top
Pressure

See how you perform under pressure, and test your touch and accuracy by hitting all nine sections within the yellow target. Feeling good because you closed out the whole target? Not so fast! There are two more levels with points worth 2X and 10X the section amount. Be careful not to hit the same section twice in these levels or you'll lose points.

TopShot

Similar to TopChip, this game challenges you to hit the targets at four consecutive distances (five shots each). The starting point you choose (red, yellow, green or brown target) determines the game's level of difficulty. Reach the correct target and you'll score points, but hit the wrong target and say goodbye to those points..

TopDrive

Show your driver who's boss and take aim at just the pink and black targets. Not for the faint of heart, this game challenges even the most experienced golfers.

To keep your position in the tournament, completed registration forms and entry fees must be in by the deadline. Those teams that fail to meet the deadline will be forfeited and the position will be available for those on our waiting list.

LIVE AUCTION - Come prepared for the "LIVE AUCTION" where we will Give One and Auction One of the following Hunting and Fishing Trips and much more:
