## SERENO SOCCER CLUB U-15 ECNL PAIR SELECTED TO PARTICIPATE IN 4TH ANNUAL PUMA WOMEN'S ELITE SHOWCASE (PWES)

Phoenix (May 9, 2014) – Sereno Soccer Club forward QuiQui Hita and midfielder Kylie Fisher have been selected to participate in the 2014 PUMA Women's Elite Showcase (PWES), to be held July 18-20 in Orlando, FL. This annual event invites approximately 60 of the top players from across the U.S. to showcase their talents in front of NCAA Division I soccer coaches. Over the past three summers, PWES has welcomed some of the top women's collegiate teams in the country, including perennial top 10 programs. "It's a great accomplishment for both the girls and the club!" said Sereno ECNL Director, Paul Taylor. "Our training approach and work on the field coupled with our integrated performance instruction at the EXOS facility (formerly Athletes Performance) has enabled our girls to compete at the top level. In addition, the competitive environment that ECNL has created for these girls cannot be matched anywhere in the country and we are extremely fortunate to be members of that league."

On behalf of the entire Sereno coaching staff we want to congratulate QuiQui and Kylie and wish them well in Orlando. QuiQui and Kylie both play for the Sereno U-15 Elite Clubs National League team.

Paul Taylor  
Sereno ECNL Director
