Jewelry Swap Party – Thursday, August 7, 6:00-8:00 p.m.

Do you have jewelry at home that you no longer wear? Would you like to find some new pieces to add to your wardrobe? Join us for our first-ever Jewelry Swap Party! Bring the jewelry you're ready to part with and go home with new-to-you selections!

Come with friends to enjoy browsing, shopping, swapping and refreshments.

How does the swap work?

Bring jewelry items to Just Creations during regular store hours August 2-7 or no later than 6:15 p.m. on the party evening, August 7.

You will receive one ticket for each piece of jewelry you bring; and then you can use the ticket(s) to "shop" the pieces brought by others (one ticket equals one jewelry item).

Any items not claimed by the end of the evening will be donated to Dress for Success, a volunteer-driven organization that provides interview-appropriate clothing and job retention support to low-income women transitioning into the work force.

Swapper-Only Coupon

All swappers attending the party will receive one **BOGO – Buy One, Get One 50% Off** - coupon good on personal accessories – Scarves, Bags, and Hair Accessories (\$30 or under) – at Just Creations. Discount applied to item of equal or lesser value.

Thanks Comfy Cow!

Save the Date! Open House Friday, August 29, 6-9 p.m.

The Just Creations Board of Directors cordially invites you to an Open House on Friday, August 29, during the Frankfort Avenue Trolley Hop. Stop by to meet our Board members, sample some of the food selections available at the store, and support artisans in Kenya. 15% of all sales will be donated to Bombolulu Workshops to help provide new sewing machines for the artisans.

Bombolulu Workshops in Mombasa, Kenya was started in 1969 as a rehabilitation project by the Association for the Physically Disabled of Kenya. Bombolulu provides work for adults who are blind or physically disabled and who would otherwise have virtually no chance of employment in the mainstream labor market. Thanks to the work of Bombolulu, up to 110 men and women are now able to support themselves and their families. Benefits include housing, medical assistance, and adult education.

Heavy duty sewing machines are used to sew the canvas and leather bags Bombolulu artisans make. The two sewing machines now in use were already used when they were donated by a German foundation over 10 years ago. Your support will enable us to provide a gift that will help Bombolulu continue to provide hard-to-find jobs for the disabled in Kenya and improve the quality of their products.
