“Strengthen the Pride”

August has been an exciting month filled with enthusiasm to Strengthen the Pride with clubs setting and accomplishing goals in Service, Membership and Leadership. A highlight was the First District 17-“A” Cabinet Meeting held in Olathe at the School for the Deaf. The Kansas City Downtown Club made excellent plans for the meeting in the morning, lunch and break out rooms during the afternoon. Responsible for the arrangements were Regional Chair David Hentges and his wife Diane. Big Lion Cathy Grote and her able Lion assistants prepared the delicious meal for us. First VDG Carleen Rajala, PCC Beverly and PDG Neal Nichols helped with signage & decorations. All seventy people attending made the day fun, informational, and filled with friendship. Thank you goes out to all the cabinet members who were well prepared with their presentations, and Protocol Officer PDG Neal who kept us on the three minute track, and the numerous guests. If you have not received cabinet minutes and would like to read them, please send an email to District Secretary Al Kimmi aikimmi@rainbowtel.net

Following the Cabinet Meeting, a thank you goes to the officer trainers and to the participants. Thank you to the PDG members who attended their meeting and decided to have a pound auction at the District Convention February 20-21.

A painting by Zone Chair John Burns has been donated for a fund raiser. A committee met and decided to make tickets and start selling immediately. Opportunities will be \$2.00 each or 3 for \$5.

You will find articles in this newsletter about my visitations to the Salina Downtown Lions Club and Sabetha Lions Picnic with the largest pork chops and steaks grilled by President Matt Saylor. Regional Chair “MO” Greenwood challenged two of the banker members to visit their banks and acquire Melvin Jones Fellows. Others he has challenged to get a new member by ASK 1 within three weeks or donate to LCIF.

At Zones 1 and 2 meeting in Wetmore, PCC Bobby Duval challenged all clubs to make “CLUB EXCELLENCE” this year. Most importantly to have a net membership gain of at least one member along with donating to LCIF. We can all do it Side by Side.

PCC Beverly and PDG Neal Nichols are willing to help our clubs with the “JUST ASK” program or use the data base to contact people in our zip code area. Please ask for their capable assistance.

Please see our club visitation schedules. For a specific date, contact bgreenwood@igroup.kscoxmail.com Carleen Rajala lioncarleen@gmail.com or Linda Leander leanderl@hometelco.net

Strengthen the Pride with Partnership

Partnerships can have a powerful impact on both Lions and their communities.

An example of inter-Club partnerships is utilization of the Mobile Screening Unit. After Gardner Lions use the MSU and One Spot screener in Gardner, Lion Ray Hess helped arrange for the Olathe Lions Club to screen students of the Heartland Early Training Center at a special Health Fair for students and their parents. The free Training Center draws students from many other towns.

Partnerships with school districts facilitate opportunities for vision screening (Leavenworth Lions and Baldwin City), distribution of free books to elementary students (Olathe, Topeka, Wathena) and support for specialty programs such as a Science Olympiad team (Olathe) or a student community garden designed to raise funds for scholarships (Osawatomie). Clubs that can involve students in the Lions Band Camps support youth not only in music, but provide an opportunity to work on leadership skills as they present back to the club (Silver Lake).

Lions frequently work with local governments to provide a Lion's garden and historical marker (Paola) or park shelters (Linwood) or city planters (Baldwin City). Many of our clubs provide the flags for holidays or participate in activities for festivals. In some towns such as Goff, the Lions are the sponsor of most festival activities.

Eudora Lions are assisting with a new program to deliver reading books to homebound students. Have the Lions in your area thought about the needs of those students?

In Osawatomie, Lions have discovered that the volunteer fire dept. has to clean out the water tanks every week. This summer that water was used to water the community garden—not only a money saver but a better use for the water!

These are but a few examples of Lions' partnerships. Community partnerships (working Side by Side) can only help fulfill International President Joe Preston's theme.

FROM YOUR SECOND VICE DISTRICT GOVERNOR

“SIDE BY SIDE WITH THE A-TEAM”

Have you been on vacation yet? One vacation suggestion might be the USA/Canada Lions Leadership Forum in San Juan, Puerto Rico, coming September 11-13, 2014. You can listen to great speakers, meet new Lion friends, taste delicious food, and enjoy a fantastic view. What fun!

DG Bev had a successful first cabinet meeting in Olathe, Kansas, with 66 Lions in attendance. First Vice District Governor Carleen Rajala gave an inspiring “Welcome”. The afternoon training went well thanks to Region Chair Mo Greenwood, Region Chair Bobby Duvall, Cabinet Treasurer Harry Malnicof, and GLT Ken Leander’s help with the afternoon training sessions. A special thanks to the Kansas City Kansas Lions for hosting this District 17A first cabinet meeting.

GLT Ken and I have been working with Zone 11 (Ann Strunk) for club visits. Currently, we have an official District Governor visit scheduled with Lion Clubs in Chapman, Enterprise, Hope, and Woodbine. The Solomon Lions are looking at October dates for our visit.

An Invite for free lunch: The Salina Sunflower Lions Club needs 2 volunteers to help with the Medical Screening Unit (MSU) on Tuesday, September 23 at the Salina Bi-Center in the morning and afternoon. Please call Darrell Genereux for details at (785) 747-6504.

GLT Ken is looking forward to another training session in October or November. Also, a November 1 cabinet meeting is being planned with the District Governor Team. (Dates/Places/Times to be announced later.)

Lions are invited for breakfast at the Leanders’ home on Saturday, September 6, at 7 a.m. This is DG Bev Greenwood’s official visit. For more details call (785) 667-3415.

Mid-Winter Rally is January 16-19, 2015 at The Salina Ambassador Hotel. Please let us know if you have any requests for a program, seminar, or a club for the hospitality room. Let’s make this the best Mid-Winter Rally ever!

Auburn Lions Back to School event held on Aug. 17

The twanging guitar sounds of Johnny Cash floated over a small audience Sunday night at a school supply drive in Auburn.

The event, which aimed to collect school supplies for Auburn Elementary School students, was hosted by the town's Lions Club in Heritage Park.

Sitting next to the table of hot dogs and iced tea were small cardboard boxes brimming with binders, pencils, paper and markers for the grade school students.

"We want to support our school," Caster said about the importance of the drive. "We know that there are some school children whose families can't afford the school supplies."

And the man behind the microphone was Jim Wilburn, a member of the Lions Club, the pastor at Auburn Christian Church and a Johnny Cash enthusiast.

"This helps the community, lets me express my faith in Jesus Christ and it is kind of a side hobby," he said about singing. "I think it went very well."

Cabinet Meeting

As we start a new Lions year and a new district, we need to get a Lions Alert Team together in our bigger district. This Team needs to come from all over the district. There are several counties in the new district and each county emergency management needs to be contacted and tell them what we as Lions can do for them. Please Contact Bobby Duval or Daryl Stone if you are interested in joining the Alert Team

Through the generosity of an individual we have formed the KLAT, with \$10,000.00 to help with local disasters. If you need more information please contact Joe Wilken.

The State Alert Team now has a trailer that is equipped with supplies. This trailer is ready to go to any disaster in the state. Also the State Alert Team has submitted a grant proposal to LCIF to get another trailer and supplies. I just received information that we were approved for the grant. \$10,000.00. Now we can start working at getting another trailer with supplies.

The plan is for every District to have their own trailer.

We still need to get the information to every club in our district about the program and what they can do to help. We will putting together information that will explain the program that will be available to each club. If you would want a program about the Alert Program presented to your club you can contact Daryl Stone, Bobby Duval or Joe Wilken

This is just a reminder to continue collecting aluminum pop can tabs. Some other cans have the same kind of tabs but they are not aluminum, so take care. Be sure to label the container with your club name. We also collect cell phones and keys, so gather them up.

Also a reminder of the LCI Environmental Photo Contest. The rules are available from LCI www.lionsclubs.org . Photos are to be Kansas scenes taken during the Calendar year 2014. Now is the time to start looking for a good scene

Our district used eyeglasses Chair is Jerry Sorensen of Scandia which is in the far west of our district. We need a good Lion to step up and volunteer to pick up glasses in our eastern area. In the meantime I will do it. Call me at 785-542-2315 or DG Bev at 785-463-5486 to volunteer. Club Presidents, we need your help on this.

Leavenworth Lions Club 2014 Buffalo Bill Days Children's Eye Screening
From Leavenworth Lion Vision Chairperson Dave Davis:

Working in conjunction with the C.W. Parker Carousel Museum, on Saturday, August 16th at the local Buffalo Bill Days, the Leavenworth Lions Club provided free vision screening to the children of the Leavenworth community. Over the 7.5 hours, we screened 166 children, with 11 children identified as needing follow-up by an eye care professional. Special thanks to the following Lions who participated in that worthwhile event: Caroline Arter, Sheryl Reddell, Gerry Martin, Debbie Weaverling, Ron Weaverling, Mike Kurec, Gary Hobin, Liddell Hobin, Sam Sanford, Nancy Martin, Dick Boultinghouse, John Baker, Barbara Wright, Jan Horvath, Leo Katie Rathjen (2 shifts), Leo Colby Mortenson, and Leo Emma Stebbins. This annual screening is a special community service that our club provides annually and directly supports the vision needs of Leavenworth area children. Each child screened was given a free ticket to ride on the C.W. Parker Carousel, courtesy of the Leavenworth Lions Club. This was the second straight year that our Leos Club participated in the event.

The Oskaloosa Lions Club will be holding its biggest fundraiser of the year at the Village Greens Golf Course in Ozawkie, KS on Sat September 6th. If you are a golfer, please consider registering for this tournament for one of our smaller Lions Clubs. They sure could use the help.

Regards, John A. Raletz

August 9, 2014 – McPherson, KS

Brenda Berg Dyck A-R's Director of Development left her position in June to pursue a career as a full time yoga instructor. Brenda has remained on as an A-R volunteer in the sensory garden and on the golf tournament committee. Feloniz Lovato-Winston is now the Director of Development.

We have a new Development Assistant, Meredith Johanning. She is in charge of the "For Your EARS ONLY" sale. She is looking forward to meeting everyone & will be at the Mid Winter Rally meeting.

The annual "**For Your Ears Only**" sale will take place at the Douglas County Fairgrounds in Lawrence **September 12 – 13**. We are now taking donations of audio goods (vinyl records, audio equipment, CD's, DVD's, & musical instruments) & there are collection sites in Lawrence, Topeka & Kansas City. For more information contact Meredith at 785-864-4634 or mjohannings@ks.edu

We are in the middle of our Summer Fund Drive. THANK YOU to the many KS Lions clubs who have contributed so far.

We recently received a donation from a listener. He gave a gift in honor of the Manhattan Sunflower Lions Club. They recommended that he get an Audio-Reader radio. The radio changed his life – he listens all the time and is so grateful to the Lions for introducing him to our services.

Janet Campbell, our Director is retiring. We are saddened by this, but will search diligently for a person who values what we do as much as she does. We will announce her successor in our next report. Janet's last day will be August 29th.
